Welcome to Blandford RFC Mini & Youth...

We plan to kick off our games on a Sunday morning around 11:00hrs, feel free to arrive from 10:00hrs which should allow time for a good warm up and a spot of training prior to matches.

We have a couple of changing rooms, children are welcome to use changing facilities if they wish. Please note: the changing rooms will be unlocked throughout the morning so take any valuables with you.

Parking

We have access to the public car park next to the pitches and changing rooms, however spaces are limited. There is on-street parking around the field, and in the surrounding housing estates. Please consider our new neighbours and park sensibly, trying not to block any driveways or making access for them difficult. Please be mindful that the surrounding roads are also on a main bus route in and out of Blandford. If possible we would recommend car sharing. There is also access to Larksmead via Preetz Way (please see map). The entrance from Preetz Way is in the opposite corner of the playing fields to the car park. Again, please park sensibly and consider our neighbours if parking here.

Catering

We have tea/coffee and a tuck shop which are all reasonably priced. There will also be food for children playing in matches on site after their games. We have a licenced bar, with drinks available from 12:00hrs.

Dogs

Please be aware that dogs are only allowed on the outside of the fence and not by the pitches – We would recommend that you leave dogs at home as you may not get to see your child play.

Directions

Please see map, from the Salisbury roundabout, take the first exit into Salisbury Road (towards town centre). Take the second left 'Larksmead' BEFORE you get to the traffic lights. Drive down the hill on Larksmead, taking the second left, where there is a signpost for Blandford RFC. The car park will be on your left.

We look forward to welcoming you to Blandford RFC Mini & Youth

S. Evans
